BENEFITS

Aquaventure World

Aquaventure World

Aquaventure World is where thrills, discovery, and unforgettable memories come together. It is home to the world's largest waterpark, voted Dubai's #1 on TripAdvisor and a Guinness World Record holder. Covering 22.5 hectares, it features three themed towers, over 105 slides and attractions, the world's largest kids' zone, 2 km of River Rapids, and 1 km of private beach.

Record-breaking slides include the world's tallest waterslide, Odyssey of Terror, the longest duelling slide, Medusa's Lair, and the longest family water coaster, Shockwave.

Atlas Village offers interactive marine experiences with Indo-Pacific bottlenose dolphins and South African fur seals, designed to inspire ocean conservation.

The all-new Lost World Aquarium showcases over 65,000 marine animals across 14 immersive chambers, with more than six hours of cinematic storytelling that bring myth and ocean life together.

[WATCH VIDEO](#)

Waterpark

This is where every drop, splash, and plunge is built for thrill. With over 105 rides and experiences, highlights include the iconic Leap of Faith, a 27.5m near-vertical drop through a clear tube surrounded by sharks, and Blackout, its even scarier sister.

Guests can take on water coasters like Shark Attack, group rides like Zoomerango, cliff jumps, river rapids, and wave rides. For little ones, Splashers offers a world of slides, tunnels, and climbing fun.

Beyond the thrills, unforgettable marine encounters include swimming with sharks, hand-feeding rays, and meeting dolphins and sea lions at Atlas Village.

For a break, the 1km private beach offers sun, sea, and stunning views.

Lost World Aquarium

Journey into the depths where marine life meets immersive technology at Dubai's only marine entertainment destination. Across 14 interactive chambers, visitors encounter over 65,000 marine animals in settings enhanced with 360-degree underwater projection mapping, precision-engineered soundscapes, and more than six hours of cinematic storytelling that brings myth and ocean life together.

With 1,900 LED panels, 55 projectors, and 141 speakers working in perfect harmony, every step creates the sensation of truly plunging beneath the waves. Guests can enhance their visit with the Interactive Trident to unlock the full experience.

Atlas Village

Atlas Village sits at the heart of Aquaventure World, where guests can discover some of the ocean's most extraordinary residents. At Dolphin Bay, visitors have options to stay dry, wade in waist-deep water, or dive into deeper encounters with friendly Indo-Pacific bottlenose dolphins.

Sea Lion Point offers opportunities to see playful South African fur seals in both dry and water-based settings. For those seeking meaningful experiences, Atlas Village features immersive programmes that provide a closer look at these marine mammals and the expert care they receive. The aim is to inspire a lasting appreciation for marine life and encourage a connection as ocean ambassadors.

Sustainability

As part of the Atlantis Atlas Project, we contribute a portion of our earnings from marine animal experiences and green meeting events into partnerships that support conservation and sustainability projects focused on protecting the ocean and our environment.

Each programme at Atlas Village is more than just a meet-and-greet, it's a chance to learn, connect, and be part of our mission to protect marine life for generations to come.

AZA Accredited

Accredited by the Association of Zoos & Aquariums (AZA), the internationally recognised, gold standard for animal welfare, veterinary care, conservation, and education.

EarthCheck Certified

Aquaventure World has achieved EarthCheck Gold Certification. This confirms our commitment to sustainability and responsible tourism practices.
