BARBER & BLADE BY ONE&ONLY

The gentlemen's private grooming studio

Barber & Blade by One&Only provides a range of treatments, products, and services for discerning gentlemen to enjoy a grooming experience in discreet and luxurious surroundings.

The concept was created to give men what they want and to create a place that caters exclusively to their needs from grooming and shaving to skin care.

A specially curated menu of treatments dedicated to the modern man has been compiled to include shaving and barbering alongside treatments for the face and curated experiences.

The journey at Barber & Blade begins with a tasting of tequila and personalised music selection.
