

One & Only Le Saint Géran rises anew from a private peninsula of pristine white sand, surrounded by tropical palms and lapped by impossibly blue, tranquil seas. Recently reborn, our much-loved Dutch colonial-style architecture has been carefully restored and complemented with traditional Mauritian stonework, select pieces of local art, sublime modern design and idyllic spaces framing mesmerising views.

YOUR PRIVATE SPACES

143 rooms, suites and Villa One completely refurbished to pull mesmerising Mauritian views inside, through reconceptualised room plans, disappearing patio doors, continuous indoor/outdoor flooring, and island-inspired colour palettes that call to the natural beauty just beyond the glass. Every room and suite will feature enhanced outdoor space, furnished with elegant yet comfortable lounges facing stunning ocean, beach or lagoon views.

CELEBRATE WELL-BEING

The secluded gardens of our reimagined, award-winning ESPA spa offer a deeply tranquil retreat with Mauritian-inspired treatments designed to soothe and beautify body and mind, alongside new holistic therapies from Harmonia. For a refreshing dip amongst the gardens' lush tropical flora, our sparkling lap pool awaits; while brides and their parties can exclusively enjoy our indulgent bridal beauty suite.

DINING FOR ALL YOUR FIVE SENSES

The freshest ingredients are awakened in dramatic spaces framing majestic ocean views. For carnivores, we've reimagined Prime to evoke an industrial, ultra-modern aesthetic, while the spoils of authentic ovens, from tandoor to pizza, are savoured in the open-air pavilions of La Terrasse. Unique fusion tastes from Tapasake will delight all palates, and coconut embers infuse La Pointe's seafood with authentic Mauritian flavours.
