SOUND HEALING

*Tuesdays, December 10, 17, 24 & 31, 2024
& January 07, 2025 | Location: Soul Studio |
9.00am and 4.00pm | Price per person: MUR 5,500
(Max 8 pax) | Advance bookings required*

A therapeutic practice that uses the vibrations of sound to promote physical, emotional, and spiritual well-being. Participants are immersed in the soothing sounds of various instruments such as Tibetan singing bowls and tuning forks. The harmonic frequencies resonate with the body's energy centers, facilitating deep relaxation, stress reduction, and healing on multiple levels. Each session is designed to create a peaceful and restorative environment, allowing participants to experience profound tranquillity and inner harmony.

REIKI FUSION

*Wednesdays, December 11, 18, 2024
& January 08 & 11, 2025 |
Location: Soul Studio | 9.00am and 2.00pm |
Price per person: MUR 5,500 (Max 8 pax) |
Advance bookings required*

A mix of Holy Fire Reiki, a new form of Reiki that was introduced by the International Center for Reiki Training (ICRT). It incorporates traditional Usui Reiki methods with a higher vibrational energy that brings healing, empowerment, and guidance and Karuna Reiki, that is also an advanced form of Reiki. The word "Karuna" is a Sanskrit term meaning "compassionate action." Karuna Reiki incorporates additional symbols and techniques not found in traditional Usui Reiki. Both Holy Fire and Karuna Reiki together provides healing at a much deeper level and brings a deep sense of relaxation.

MANDALA MEDITATION

*Thursdays, December 12, 19 & 26, 2024
& Saturdays, January 04 & 11, 2025 |
Location: Villa NEO | 9.00am and 4.00pm |
Price per person: MUR 5,500 (Max 8 pax) |
Advance bookings required*

A unique mindfulness practice that combines the ancient art of mandala creation with meditative techniques. Participants are guided through the process of designing intricate, symmetrical patterns that symbolize the universe and inner self. This creative process encourages a state of deep concentration and tranquillity, allowing individuals to access a meditative state through visual and tactile engagement. The focus on intricate details helps to quiet the mind, promote inner peace, and enhance self-awareness.
